

**Division of Applied Mathematics
Brown University
Position in Dynamical Systems**

The Division of Applied Mathematics seeks applicants for a position at the tenure track (Assistant Professor) or tenured (Associate or Full Professor) level. The starting date for the position is July 1, 2008. Preference will be given to applicants who combine research in dynamical systems with important applications to science and to individuals with postdoctoral experience. Applicants at the Associate Professor level should have achieved international recognition for first-class contributions in their specialty. Applicants at the Full Professor level should be prepared to assume a leadership role in dynamical systems at Brown. Good communication and teaching skills are required.

Applicants should submit curriculum vitae, representative preprints and reprints, and a concise description of research interests and goals to:

Attn: Dynamical Systems Search
Professor Paul Dupuis, Chairman
Division of Applied Mathematics
Brown University
PO BOX F
Providence, Rhode Island 02912 USA

Applicants for Assistant Professor should arrange to have at least three letters of recommendation sent directly to the Search Committee at the same address. Applicants for Associate or Full Professor should provide the names and contact information of at least five references at the time of application.

To receive full consideration, complete applications should be received by November 30, 2007. Applications received after this date may still be considered at the discretion of the committee.

Brown University is an affirmative-action/equal-opportunity employer.
Women and minorities are encouraged to apply.
